HEALTH VISITORS AND DISTRICT NURSES

The offices for the district nurses and health visitors are based in the surgery. You can contact the health visitors on **020 7228 4757** and the district nurses on **020 7978 7993**.

REPEAT PRESCRIPTIONS

Please order all repeat prescriptions 48 hours in advance via mail, fax or in person at reception. If you are house-bound, we have local chemists who will order, collect, and deliver your medication.

If you have a query, please contact Nick Between 10am and 12noon. Repeat prescriptions can also be ordered on-line. If you are not already registered to do this, you need to obtain a registration form from reception.

MEDICAL REPORTS

We complete a variety of medical reports including (but not limited to) insurance, disability and housing reports to which various charges are levied.

REFERRALS

Our secretary, Hilary, deals with all referrals and hospital transport bookings.

COMPLAINTS PROCEDURE

If you have a complaint or concern about the service you have received from the doctor or any of the practice staff, please let us know by completing the complaints form available at reception.

OVERSEAS VISITORS

Free medical advice or medication for pre-existing conditions is not available to visitors from abroad. Emergency

care is available if the visitor holds an EEA E128 or E112, or when there is a reciprocal agreement between the countries. Chatfield Health Care is able to treat visitors privately. Please discuss payment with the reception manager on arrival.

PRACTICE AREA

Persons must be living within the practice area (see map below) in order to be registered with Chatfield Health Care. New patients will be asked to produce proof of residency such as an utility bill or bank statement when arriving at reception or registering online.

ABOUT US

Chatfield Health Care provides family doctor services for a mixed urban area in Wandsworth, Battersea and Clapham Junction. The GPs and staff at the practice are committed to providing a high quality of service. The practice adheres to the patients' charter, and towards the management standards accreditation.

CLINICS OFFERED

Our practice nurses run clinics daily and offer a variety of services. Please inform the receptionist which service you require, when making an appointment:

- Cervical Smears
- Diabetic Clinic
- Hypertension Clinic
- Asthma and COPD (Chronic Obstructive Pulmonary Disease)
- CHD (Coronary Heart Disease) Clinic
- Emergency Contraception (Morning After Pill)
- Family Planning and Contraception
- Routine and New Patient Health Checks (also offered by our Healthcare Assistants)
- Procedures such as ear syringing, injections, dressings, removal of stitches etc

If you have **asthma, chronic lung disease, high blood pressure, heart disease** or **diabetes**, you will be invited to make an appointment with one of our nurses, every 3 to 12 months for regular check-ups (including a review of your medication and lifestyle advice). Where necessary, our nurses liaise with our doctors to ensure you receive the best possible care.

Antenatal care is available during our antenatal clinic on Wednesday afternoons. **Postnatal care** is available during our mother and baby clinic on a Tuesday morning between 9.30am and 11am. This clinic is run by our health visitors and the doctors. Immunisations are also available for children under 5 at the baby clinic.

The **baby clinic** is held on Tuesday mornings between

9.30 and 11.00am.

Routine immunisations and **travel vaccinations**, for all ages, are available during surgery times by appointment with the practice nurse.

Coil fittings are carried out at 1pm most days. If you are considering this option, please book a routine appointment with the doctor to discuss the procedure.

Smoking Cessation Clinics with our smoking advisor are held weekly by appointment.

HOME VISITS

If you are unable to attend the surgery through disability or ill health, you may request a home visit, but please do so no later than 11am.

APPOINTMENT SYSTEM

Appointments with a GP or nurse are available throughout the day from Monday to Friday starting at 8:30am. We are closed for staff training on Wednesday between 1pm and 3pm.

Appointments open each Monday for the following 2 weeks. If you want to pre-book an appointment, please phone on a Monday or book on-line to book for the following 2 weeks. We will also have URGENT appointments available to book on the day.

Please state to the receptionist beforehand if you would like to see a particular doctor. Whilst every effort is made to ensure that you see the doctor of your choice, this may not always be possible and you may be asked to see another doctor.

Appointments can be booked on-line at www.chatfieldhealthcare.com and click on the link 'Book Appointment'. Please ask the receptionist for details for your unique reference number that allows you to access this service.

TELEPHONE ADVICE

There is a doctor on call every day to advise and facilitate other queries over the telephone. Telephone advice is available for all queries until 1pm and for urgent queries until 6.30pm

If the doctor is not immediately available to take your call, the receptionist may ask you how urgent your call is to ensure your problem is dealt with appropriately.
