**Payment accepted by credit/debit card, cash or cheque (cheques will only be accepted for amounts of £15 or above and should be made payable to Chatfield Health Care)*

The completion of medical reports / letters is a **private service**, which we offer to our patients at Chatfield Health Care. Please note that this is not an obligatory service.

All requests must be in writing and either handed to the Patient Service Advisors at reception or emailed to us at swlccg.chatfield-health@nhs.net.

There is a **£25 deposit** for **all** requests. The turnaround for completion is a period of **4 weeks**; however, we endeavour to complete your request as soon as possible.

For Private Medical Examinations a £60 deposit is required. A member of the administration team will contact you to book an appointment. Please note that these appointments are only available once a week and therefore may take up to 8 weeks for your appointment.

PIP Applications Housing Support

Please be aware that our clinicians do not write supporting letters to the DWP for PIP claims.

Instead, the DWP will send us a form to complete once you have applied for PIP, or applied for renewal of your PIP.

Your named GP will complete the form with the specific information they require. This helps to prevent over-divulging information to the DWP which may not be relevant to your claim. The application pack for PIP clearly states that you DO NOT require a letter from the GP.

Once we receive the request from the DWP it will be completed within 28 days by your named GP.

Housing Support

Please be aware that our clinicians do not routinely write supporting letters to the council for housing support.

We ask patients to submit changes with the council/housing officer and should they require more information they will write to us directly.

Once we receive the request from the council/housing officer it will be completed within 28 days after payment is received.

This is not an NHS service, please see overleaf for the fees.
